5) There are papers which did not finish publishing process in the good time for last year symposium. We want to continue process and publish the papers this year. We kind ask authors of those papers to start publishing process again (registration, upload of last version of paper, and sending of confirmation of payment).

6) DAAAM International Journal of Simulation Modelling Call for Manuscripts <http://www.ijsimm.com/>

In the activities of DAAAM International are included thousands of people, institutions and publications. From the other side we have continuous high growing rate. Last year in Annals & Proceedings we published 781 papers from 1510 authors (over 940 young authors and 482 Newcomers). Those are the reasons for the improvement of the organization. On the occasion of 20th DAAAM Symposium we make many innovations in the organization such as:

- Introducing of membership at DAAAM International
- Introduce DAAAM World Symposium = DAAAM International Symposium + European Young Researchers + "Meet the Experts" + Exhibition + Partners
- Founding of DAAAM International Jubilee Medal
- We are preparing for the founding of DAAAM International Journal which has to be the high quality Journal for the DAAAM Community.
- Changes and professionalization in the organization of conference due to the size of conference
- And many others, more detailed you can find at www.daaam.com <<http://www.daaam.com>>

New photo galleries and reports are uploaded! Young researchers and Scientists are welcome! I am looking forward to see your papers for Symposium and/or manuscripts for Scientific Book soon. I am looking forward also to welcome you personally at the 20th DAAAM World Symposium.

Concern Festo will award 35-40 best young researchers and scientists (authors and participants) at 20th DAAAM World Symposium!
