

To the European Commission

Declaration of Commitment of CRG to the Principles of “The European Charter of Researchers” and “The Code of Conduct of for the Recruitment of Researchers”

The Centre for Genomic Regulation (CRG), considering the general principles laid out in the Commission Recommendation of the European Commission of March 11th 2005 “*The European Charter for Researchers*” and “*The Code of Conduct for the Recruitment of Researchers*”, hereby expresses its full support to this Recommendation.

In accordance with its internal policies, CRG commits itself to apply the stated principles to its human resources policies for researchers and to guarantee transparency, accessibility and equity for the recruitment of researchers.

By adhering to this Recommendation, CRG both contributes to creating an adequate framework for the researchers and to the building of the European Research Area.
